Ainslie Low Head is known for its warm, welcoming atmosphere and truly personalised approach to care. Whether it's joining in the fun and laughter with group activities, or soaking up the sunshine, there are plenty of options for residents to do the things they enjoy.

From scenic drives through the countryside, shopping trips or picnics in the park, there's always an activity to join if you choose to do so.

Our Leisure & Lifestyle Officers love what they do, and it shows. They provide meaningful occupations and activities as an option to all our residents to engage.

These can vary in frequency and type and are inspired by an individual's preferences or social interests. Engagement is proven to positively flourish an individual's health and wellbeing is a crucial element in our person-centred care model.

Respite Care

Respite care is a short-stay solution that can be planned ahead, or in the case of an emergency, last-minute or unplanned. Short stays are a great solution for individuals seeking support following post-operative or hospital care, or whilst their regular caregiver takes a break.

Respite care can also be used as a way of introducing long term care to a loved one. Many of our beloved residents were introduced to us for two weeks respite care and loved it so much they decided to stay!

Fees & Pricing

The cost of residential aged care can vary depending on your individual financial circumstances and the services you receive.

Residents will be asked to contribute towards their everyday living costs through a Basic Daily Fee, which helps cover meals, cleaning, laundry and other day-to-day services.

Depending on an assessment by Services Australia, some residents may also be required to pay a Means Tested Fee (or other government-assessed contribution) based on their income and assets.

Residents may also be required to pay for their accommodation. This can be paid as a Refundable Accommodation Deposit (RAD), a Daily Accommodation Payment (DAP), or a combination of both. Current room prices can be found on our website.

Our team can provide information about the fees that may apply and assist you in understanding the government assessment process and available payment options.
