Proposed governance transition of Southern Cross Care Tasmania

What is Calvary's approach to Voluntary Assisted Dying (VAD) in residential aged care homes and independent living units?

Information about [Calvary's response to Voluntary Assisted Dying \(VAD\) legislation](#) is available on their website.

Will residents in Calvary aged care homes be affected by the SCCT's governance transition to Calvary?

We have referred the enquiry to Calvary, as they are best placed to provide accurate information about any potential impacts on residents in their aged care homes.

We will share their response once it is available.
